7.00PM

Falkland Surgery — Open Evening

It's always helpful to stay up to date with what's happening at the surgery, including new staff, services, and recent changes or improvements.

At this time of year, many of us are thinking about holidays or planning trips, so we will also talk about how the surgery can support you before you travel:

- ◆ Holiday health tips
- ◆ Travel vaccinations and how to book an appointment
- ◆ Travel risk advice, including useful health websites and resources
- ◆ Sun safety, skin cancer awareness, hydration, and heat protection
- ◆ Hay fever management
- ◆ Accessing your medical records, the NHS App, and online services
- ◆ Private services (such as insurance letters, medical forms, and fit-to-fly certificates)

Falkland Surgery staff will be on hand to answer questions
And as usual there will be a raffle. Tea and coffee will also be available.

Spaces are limited so if you are planning to attend the Open Evening, please email
Falkland PPG at: falklandppg@gmail.com
